### Department of Electronics and Communication Engineering

#### A Report on Guest Lecture by Mr V.C Gaur

A Guest Lecture by Mr. V. C. Gaur, Managing Director, OPTIMUM VIKING SATCOM on "*Satellite Communication System and Equipments*" was delivered on October 9<sup>th</sup>, 2015 for the students of B-Tech (ECE). Speaker narrated about his company Optimum Viking Satcom, a US based company and is a leading supplier & distributor of satellite Communication products for military & civil application. This company is situated in Pataparganj Industrial Area, Delhi. He portrayed the achievements of his company around the world.

In addition to above discussion he further discussed about the organizations using the SATCOM products, such as Bharat Electronics, BSNL, Ministry Of Defence, ISRO, TCIL, Airtel, etc. He concluded the session by motivating the students to join research and explore the field of Satellite Communication. Our alumni students who were placed in OPTIMUM VIKING SATCOM also accompany Mr. V.C Gaur and they told the listeners about their journey in the company.

These lectures have proven to be very inspiring and informative for the students.
